Conditions: I understand the Sweet Home School District No. 55 reserves the right to immediately revoke permission for an inter-district transfer student to attend district schools whose attendance or conduct do not meet the criteria set in Board Policy JECB and Administrative Regulation JECB-AR.

- Inter-district transfer requests, once approved remain valid until high school graduation.
- Parent or guardian will be responsible for transportation to and from the school.
- An approved transfer does not guarantee enrollment at a particular school. Students wishing to transfer between district schools must follow in-district transfer procedures.
- The sending district will release state basic funds to the receiving district for the current school year.

High School Students Please Note: Inter-district transfers can affect eligibility of interscholastic activities that are governed by the OSAA. Students and parents should investigate these regulations carefully when transferring.

I agree to the above conditions and understand that it is necessary and required for me to assume all responsibility for transportation.
