Public Complaint Procedure

A parent or guardian of a student attending a school in the district, a person who resides in the district, a staff member, or a student who wishes to express a concern should discuss the matter with the school employee involved.

The Administrator: Step One

If the individual is unable to resolve a problem or concern with the employee, the individual may file a written, signed complaint with the administrator within five working days of the employee's response. The administrator shall evaluate the complaint and render a decision within five working days after receiving the complaint. (A form is available, but is not required.)

The Superintendent: Step Two

If Step One does not resolve the complaint, within 10 working days of the written response from the administrator, the complainant may file a written, signed complaint with the superintendent or designee clearly stating the nature of the complaint and a suggested remedy.

The superintendent or designee shall investigate the complaint, confer with the complainant and the parties involved, prepare a report of their findings and conclusion, and provide the report¹ in writing or in an electronic form to the complainant within 10 working days after receiving the written complaint.

The Board: Step Three

If the complainant is dissatisfied with the superintendent's or designee's findings and conclusion, the complainant may appeal the decision to the Board within five working days of receiving the superintendent's decision. The Board will review the findings and conclusion of the superintendent in a public meeting to determine what action is appropriate. The Board may use executive session if the subject matter qualifies under Oregon law. Appropriate action may include, but is not limited to, holding a hearing, requesting additional information, and adopting the superintendent's decision as the district's final decision.
