

Sweet Home School District Technology Donations

The Sweet Home School District continually seeks to broaden the technology resources available to students and teachers and we are grateful to potential donors of new and used computer equipment and software. However, we cannot accept equipment or software that is outdated, not in working condition, or that is not compatible with our network environment. Because of this, a set of minimum requirements has been defined to ensure that any donated equipment will meet the needs of our schools.

How to Donate

If you would like to donate technology equipment to the SHSD, please contact:

Technology Department at (541) 367-7124, sam.nothiger@sweethome.k12.or.us

Minimum Donation Requirements

These requirements are updated periodically as the needs of our students, teachers and staff change.

Computers -

The minimum standard for a desktop computer is as follows:

- 12th generation i5 processor or higher
- 16 GB RAM or higher
- 1000 Network Interface Card
- 500 GB Hard Drive
- Sound Card
- Ability to run Windows 10 or newer operating system
- Optional LCD or other flat-screen monitor (no CRTs)

Peripherals -

All printers, scanners, digital cameras, projectors and other peripherals must be compatible with Windows 10 and up. Drivers, original software installation media and documentation for operating systems should be provided, or be available from the vendor. All peripherals must work and contain no broken or non-operational parts.
